The chairman called the meeting to order at 6:00 p.m.. February minutes read and approved.

Old Business:

Our Church- is getting altar flowers from Bachman's—we will stay with them for now The arraignments cost \$20:00. We feel arrangements are a bit small-perhaps we could ask for taller/wider arrangements—we'd be willing to pay \$25.00 each time: Betsy .S. will-check into this. Lake Harriet Floral is fine with our church looking elsewhere.

Mary Lou M. gave Carol P. a picture or arrangement honoring David A. She likes the color and size. Carol P. will check with Michael's to purchase an arrangement for altar to be used when there aren't flowers for a Sunday. Carol P will check with memorial committee if they have monies to fund this project.

This Committee decided: to stay with Bachman's for now—we will not try other florists at this time.

The Easier worship service is being planned "sunrise service"~ will be-at 8:30 am in sanctuary.

Peterson s and Ramstad's are planning breakfast to be held in between services:

Greeters: Ellie E. will need to tell each Sundays' greeters -what and- where-to greet. Sunday's greeters and each church member should be speaking with visitors after the service. We want people to- feel welcome and we need b make members feel welcome-too.

Maundy Thursday Our church will host this service, beginning at 7:00 p.m..We will need to be in sanctuary rather than in the Family Life Center because of too many people expected.

Ask Phil to get ushers for the night

120 palms have been ordered from Lindy's plus 10-15 lilies ordered for Palm Sunday. Rental of palm trees may not happen this year.

Communion Steward: Nancy B. will plan and execute Maundy Thursday service.

Worship comm. Members...always be ready for feedback from church members on the run of morning services and other concerns.

Pastor Report: re: March-5 10:30 service. Pastor is planning a dramatic presentation-on Jesus and the blind man. Pastor Dan needs 8 participants.

February discussion re: our worship service direction: a. who would be paying- for this new equipment... church budget. B. What do we mean by technology: Some feel an overhead screen would-make the service more people friendly, especially for-those who don't have a church background, re: all the songs, doxology, response songs etc. Blended service would bring in more contemporary music. d--how do we get new people who aren't comfortable with traditional- service be comfortable? An example is we do print some music, etc. now... e.. the SCREEN could- be detracting to some, plus- the expense. . plus, what is the SCREEN's value anyhow? f. . . during Singspiration, would be great to have a worship team of 3-4 people to lead singing. g....Projector would cost 3,000 - \$10,000.00, more or less. Let's know and decide what we want, and then go shopping. h... a good microphone for the preacher...i... .Some- feel "everyone" has a SCREEN during-worship service. j... We need to change our "direction" to bring younger people back--to our church. k. . . Worship Committee has- put this topic on HOLD for now. L... Worship committee remember to talk to our young people = to get a grasp-what- they want in a church.

Meeting adjourned.
CAROL ROSE.
