Chairman Carol P. called the meeting to order at 6:00 pm. Pastor Barbara opened with prayer.

Old Business

1. February minutes read and approved.
2. Ushers. Steve, Wayne & Cliff will handle. SR will ask John Moberg if he'd like to be head usher. Wayne is making corrections and additions to the usher document.
3. Kent Mehrkens will change hymn #'s on front board.
4. Sound system is in! Need more people to be trained on procedures. Want to get youth and some women, so they can handle during their events.
5. Lilies and palms are ordered. Perhaps all will process down and around, or youth can pass palms to people. Choir can lead procession, go around pews, then sit. Tambourine for opening song. Make copies of this song for choir. Ushers can lead pew party. Pastor will decide which way to go by Easter Sunday. We need to take communion rail away from choir side by April 23.
6. Anniversary Celebration. Have several ushers. 174 dinner reservations thus far. 2 greeters at each door, Mary Lou will choose. All former pastors will have a corsage, also same for charter members. Will have nametags for all. Pastors, spouses, charter members and greeters will have reserved seating. An adult nursery attendant will be hired.
7. Greeting/passing peace of Christ. Can we do it at a different time in service, perhaps when choir is in audience pews? All think on this what your preference and ideas may be.
8. Choir will go back to Wednesday night practice again, beginning April 12.

NEW Business

1. Memorial Day-we will change to 9:30am service.
2. Easter and April 23, no Sunday school.
3. No heat to be turned on April 23!
4. Changing Paramount's. Karen Dykoski. Will need help for June 4 and June 11; Ellie E. volunteered her valuable time.

MEETING ADJOURNED, till next time.
