UMCOR Health Kit Packing

Church of Peace packed 500 emergency health kits for the United Methodist Committee on Relief on May 15. Peg Bosshardt (l-r), Mary Lou Motz, Dorothy Aldrich and Carol Aldrich, counted band-aids into piles of six—one pile for each health kit. The kits also included a hand towel, washcloth, toothbrush, comb, soap, and nail clipper, which all fit into a one gallon zipper bag. It took only 50 minutes to assemble the 500 kits.

Church Council Update

The Council did not meet in May. A Church of Peace Church Council update will be available in the July Dove Tale.
